

**Citizen's Bond
Advisory
Committee
Meeting
March 18, 2014**

**Facility Assessment
Feedback Follow up
from February 18th
Meeting**

Keller Independent School District

Citizen's Bond Advisory Committee Meeting – March 18, 2014

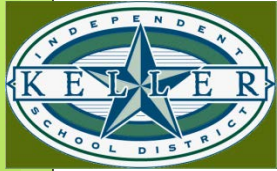

○ Facility Assessment Discussion -

○ Project Focused –

- Objective – To review the Assessment data and identify the projects that are of the highest priorities that will impact students/staff health and safety.
- Evaluation process also included eliminating small/minor maintenance repair items from the list and only listed mechanical equipment in need of being replaced by the year 2016.

○ Clarification on Secure Entry Projects –

- Prototype Intermediate School Correction and Keller High School Entry Proposal

Keller Independent School District

Citizen's Bond Advisory Committee Meeting – March 18, 2014

- Concrete, Flooring, and Painting Projects

Keller Independent School District

Citizen's Bond Advisory Committee Meeting – March 18, 2014

- Secure Entry Proposal –

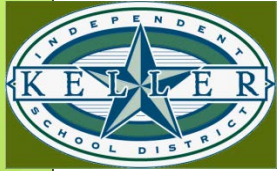

* Established District Standard in 2003

- Keller High School –

- Building floor plan to be modified by moving the Administration area into the area currently occupied by the Band classroom and support areas. Building a new Addition that would accommodate the New Band Hall area.

- Prototype Intermediate Design Solution –

- Relocating some of the Administration area functions to the four classroom adjacent to the porch area at the front of the building. The four classrooms will be relocated to the area formerly housing the Administrative spaces.
